

Student Spotlight

Donna Hawes

OVERVIEW

Learner name

Donna Hawes

Course

VTCT Level 2 NVQ Diploma in Beauty Therapy

Cohort

October 2024 - July 2025

Employment status

Employed - Spa Reception at Aqua Sana & Business Owner

“I chose to train at NSHB as I had previously completed a course at the school in the past and loved it!”

Our current student, Donna, has started employment at Aqua Sana based at Centre Parcs in the Spa reception whilst she is completing her studies with us. Donna is finding being in the spa environment really beneficial for her development on the course. Donna has also been busy setting up her own home salon which she is working a couple days a week in and has begun offering the popular treatment of Japanese head spa. As Donna trained in Hairdressing previously, she is now able to combine her skills from this and her new knowledge of beauty therapy to create a foundation of popular treatment offerings for her clients.

Donna's aim is to become a skincare specialist and she is excited to add facials to her treatment list and continue expanding into holistic therapies like massage. Donna hopes to build up her home salon clientele and work flexibly around her family commitments.
