Thanks to all that have supported this event & we have collectively raised over £1,000 for this very worthy cause, which is a fantastic achievement!

### GO Red for dyslexia

#GoRedForDyslexia

On Thursday 20th, staff and students supported the Go Red for Dyslexia Campaign. Go Red for Dyslexia is a global campaign supported by Succeed With Dyslexia all about changing the narrative for people living with dyslexia and low literacy.

### Equality week

We held a range of event to celebrate our diverse community. CWA was also proud to host a discussion around bullying as part of Equality Week and the impact it can have on others. Working in partnership with the Youth Advisory Board students discussed what bullying is, its impact and where to get help. Many interesting points were raised to provoke further discussion. A big thank you to all the students who took part and contributed their views!

## Student Ambassadors Q & A!

### What does a Student Ambassador do?

Ambassadors help with organising some of the events you have been reading about, as well as playing a vital role in promoting students voice at the college. For example, the EDI Ambassador attends the college's Equality Group and makes sure that student's views are heard! In previous years, our Environment Ambassador helped to organise a crisp packet recycling scheme across all three campuses and Mental Health Ambassador ran mindful origami sessions for students and staff to help combat exam stress!

### Why would I want to be an Ambassador?

Other than a chance to make a real difference to your fellow students' college experience, it is a great thing to have on your CV or university application and could help you stand out from the crowd!

### How do I become an Ambassador?

If you message [studentvoice@cwa.ac.uk](mailto:studentvoice@cwa.ac.uk) and let us know which ambassador role you would be interested in undertaking, some already have more than one in post, but we are always happy to have more volunteers! 😊

## Painting it Purple for Pandora

CWA Beauty Therapy students Painted it Purple for their chosen charity, Pandora Project.

The Pandora Project supports vulnerable women who have experienced domestic abuse or sexual assault. One of our key themes this year as part of tutorials is healthy relationships and domestic abuse so their support for this charity is very timely and topical!

The Paint it Purple event raised £122.25 for the Pandora Project. Well done to all students who took part!
